Pallet Height	49.21 in.
Box Length	102.76 in.
Warranty	5-year residential / 2-year commercial
Terms	FOB Factory
Country of Manufacture	Vietnam

Features & Benefits

- Ready-to-install full-length panel — no visible joint rhythm from short boards.
- Consistent machine-milled flute rhythm across every piece.

- Installs quickly with adhesive, nails or staples on studs, furring or existing drywall.
- Suitable for feature walls, full-height cladding and ceiling applications.
- PVC surface is wipeable and low-maintenance compared with raw veneer.

Ordering Notes

Lead time: 90 business days for opening orders, 30 business days for re-orders. Custom lengths, widths and colorways available on request. Samples available on request — please quote the item number when enquiring.
